Walking Aids Training Package

The Walking Aid Training Package is for organisations wanting to increase the number of people trained to safely provide walking aids. It is aimed at teaching community level workers to:

- Assess the needs of a person who may benefit from a walking aid
- Select, adjust and fit the appropriate walking aid
- Provide user training
- Follow-up the walking aid user

Trainers should already have a good understanding of disability and practical experience of the provision of walking aids. Trainer cards provide step by step guidance on presenting each session.

- Suits small or large groups of up to 30 trainees
- Designed for ESL trainers
- Teaches eight steps of service delivery
- One day training, divided into ten sessions
- Plain English text and black & white illustrations throughout
- Colour printed materials: trainer cards, printed visual aids, service forms, handouts, activity cards, evaluation forms and certificate template
- Digital resources on USB: includes Powerpoint visual aids, resources and gait training video
- Durable plastic, zip folder (shown above)
- **Printed copy AUD\$250 each** (plus shipping)
- **Free e-copy upon request for organisations from developing countries**

Please contact Motivation Australia if you'd like to adapt the package to suit your situation or organisation.
