

Reference Group Recruitment Information

motivation
australia

Please refer to the following information on how to apply to join the Reference Group for Motivation Australia (MA).

How to apply

The MA Reference Group is a voluntary position. All MA volunteers are required to be members of MA and we highly recommend that you do this prior to applying or registering your interest. MA members will receive regular updates via email, early access to volunteer placements and it is a great way to gain more insight into our project work. We also encourage you to like and follow our Facebook page for information about volunteer vacancies and live updates from our projects and partners.

You can apply to join the MA Reference Group at any time. You will find information on both recruitment and induction, together with an application form on our website, see Reference Group.

If you wish to apply to join the Reference Group, please submit an application form along with your CV and details of two referees via the MA website. Once your application is received by MA, you will receive an acknowledgment email.

Information for International Candidates

The Reference Group is also open to international candidates. Please contact us for more information if this applies to you.

Shortlisting

Once your application has been received, it will then be reviewed. All applicants will be notified of the outcome of their application.

MA will not contact your referees without your express permission to do so. When we do contact your referees, it will be via telephone and we will ask specific questions regarding your suitability.

These steps (application and review) help us to maintain a child safe organisation and meet our obligations to our partners to deliver high quality, relevant programmes.

Motivation Australia is an equal opportunity employer, and will provide equality in employment for all people employed, or seeking employment or volunteer opportunities with us.

Accepting a role on the reference group

Once we have spoken to your referees and are able to proceed, we will offer you a position on the MA Reference Group.

If you choose to accept the offer, we will email you the details to commence the online induction process on the MA website.

We will not be able to formalise the offer until you have completed the induction process, which will include providing forms of ID and relevant Police Checks. Please see Reference Group Induction Information for more details.
